Jean was such a sweet loving friend. I loved my conversations and visits with her. She loved her family dearly! I only regret that I didn't get to talk to her recently. I will miss her but I know that she lived a long wonderful life and is in a beautiful place now. May God grant all of you peace and comfort.

Dear Tom, I've only know your Mom for about 7 years and I've known you since high school. (Two wonderful people). Jean was such a sweet and loving lady that made you feel like you've known her forever. I'll miss her at AARP functions. Sharon and I were talking that when I got home from visiting my daughter, that I'd make a pie and we'd go visit your Mom. I'm just sorry that she passed before I got home. I know she loved you so much and you'll have plenty of good memories to keep close in your heart. May she Rest In Peace. Love Betty Kay
