We are deeply saddened to learn of the passing of Janet Bauer. We became friends very shortly after my family moved to the neighborhood in 2013. Many days we would run into each other outside while she tended to her flower garden in the front yard and we would talk for long periods of time. Often we would make jokes about current events and politics. She would often bring presents for our children and our German Shepherd. Mrs. Bauer will always be in our hearts and minds for her hard work ethic, love for animals, kind and friendly personality and joyous sense of humor. Janet will be dearly missed and our thoughts are with her family.
