Dearest Bev and Suzie and family, I'm so sorry for this tremendous loss. I can only imagine the pain you are feeling, and I'm just so sad for you all. I remember when Bobby was little, maybe 5 or 6, and visited us on Cape Cod. He was so funny and fun to be around. A true character at a young age. That summer, he talked about Miss Pip, his teacher, and how he got into trouble with her (she was strict), and it became a running joke. Something about her name and how he told the story made it so funny. My Father especially took to Bobby and often spoke of him and Miss Pip years later, saying things like, if you're not careful, we'll put you in Miss Pip's class. I also remember him as a toddler in the Thomas Street house. We had good times there and it had a lot to do with his personality and presence. He was a sweet kid even if he drove Suzie nuts. My heartfelt condolences to all of you. Gone too soon. Rest in Peace Cousin Bobby. May your Angels welcome you with open arms. Love, Cousin Deanna
