Dave and family, with so many memories of Bart, where does one begin. His infectious laugh and goofiness will remain with everyone who knew him. Try and find comfort in your memories of him and if needed, you have an awesome support group in his friends. My prayers and thoughts are with you all at this time. Marlene (McCallum) Lebedda

I remember Bart as a witty and street smart guy. He was always a bit wiser than the crowd. My fondest memory is playing a round of darts together in Paul's basement while watching the Penguins in the Stanley Cup. We hit turkey feathers and celebrated as if we won the lottery. His smile was bright and slightly deviant. I am saddened to hear of his passing. Jen Current (DeFrancisco)
