Myesha Shareese McGriff

JAN 23, 1994 - MAY 7, 2024

Myesha Shareese McGriff came into this world on January 23, 1994 and left us on May 7, 2024.

She is survived by her mother, Kristen and stepfather JR Hall; her brothers, Keelylynn and Lester; nephew Luka; grandparents Memaw and Pap Wilson; Aunt Lila; many other aunts, uncles and cousins Tyler, Aubrey (Tony), and Jaydin. She also leaves behind her 2 dogs Juno and Cypress. She is preceded in death by her father Lester McGriff, Jr. and grandparents Lester McGriff Sr. and Joyce Miles.

Myesha was smart, funny, stubborn and a beautiful soul. She lived with an autoimmune disease that took her life while waiting for a transplant. She graduated from California University of Pennsylvania with a BS in Psychology. She worked in home care and most recently at Forbes Regional Hospital in Behavioral Health.

Myesha has a remarkable mind, never forgetting anything. She was funny enough to do stand up comedy. She also had a private, brooding side. She struggled with PSC and Crohns since she was 12. She loved her family. She never really knew how strong she was and how her family respected and looked up to her.

She enjoyed sports, playing midget football at Cal and basketball throughout Jr. high and high school.

Her family can only hope she knows how loved she was and how much she will be missed. She wanted to do so many things and she did do many things, just not all.

Family and friends are welcome for a memorial visitation on Saturday, May 11, 2024 from 4 pm - 6 pm at the Jefferson Memorial Funeral Home, 301 Curry Hollow Road, Pittsburgh, 15236. A memorial service will immediately follow visitation at 6 pm in the funeral home's chapel.

Sorry for the families loss! I remember Myesha at a much younger age when she lived in California on the farm! We had some fun times hanging out her Keith and I playing around the woods and farm! We lost touch. Sad loss for the world.

Such a strong, kind, and genuine soul lost too soon. Thank you for being the person you were and making an impact on everyone you met. You taught me how to accept and be strong through every situation that life gives us. You were also the funniest person I knew and I could not have survived my first nursing job without you there to always brighten up my nights ❤️😭 so glad to have met you. Will miss you and spending time with you dearly

This hit me hard, I met Myesha at Forbes and I worked a lot of overnight shifts with her which I will cherish forever. We even had fun work names. Since my name (kisha) rhymes with hers we called each other Kisha Aisha Myesha and just laugh like two idiots. The first time she saw me in my crocs she asked " why you wearing your crocs in sports mode?" and I would say I'm waiting for sh** to hit the fan lol and we would have a good laugh over that. There are so many stories I can tell you about Myesha but what I know for sure, she was kind, fun, funny and that girl loved her family especially she would talk constantly about her grandma and her siblings and her nephew. I really wanted to hangout with you this summer girl. You had so much strength and light within. Thank you for being my friend. Sleep easy Myesha I will miss you dearly 😭😭☐
