I'm so sorry to hear of Chris' passing - her and I worked together at PNC and spent many mornings waiting for the trolley at the Library and Lytle stations together! She was such a sweet person and always thought of others - I remember all of her wonderful and proud memories with her granddaughters and their pictures on her desk at work! The world has truly lost an angel, but Heaven has gained a beautiful one! Sending much peace and condolences to your family and praying for healing for the loss of Chris. Love, Ashley Wright (Sholtis)

I am beyond sad to hear of the passing of not only my co-worker but a great friend. I worked with Chris in the HRC team at PNC, we rode the trolley too and from work and even after she went on leave i stayed in touch with her 2-3 times a month. I loved hearing all the stories about her granddaughters and how proud she was of them - especially just recently when the oldest passed her driver's test. You could just hear in her voice how excited and proud she was. She always would listen when i had a bad day and give me pep talks to keep pushing onwards. She was the sweetest person and had a heart of gold. There isn't enough words that I could say to show my appreciation of her friendship. This world has truly lost an Angel. Sending love and prayers to her husband, her daughters, and the family. Rest in peace my friend.

I am so sorry to hear about Chris' passing. I worked with Chris for several years when we were both at PNC in the High Risk Customer Group. We sat next to each other and used to chat a lot. Chris was the sweetest! She used to talk about her granddaughters all the time and anyone could easily tell how much she loved and adored them! I was very sad to hear about her passing. Her family is in my thoughts during this time.
