Condolences to Mitch's family. Mitch and I attend Jr. & Sr. HS for 4 years. We had lots of fun in those days. Mitch was a very good artist and we both shared our interest in science in our basement labs, Mitch was always cordial and friendly with everyone, including teachers. More mature for his age. I believe I had my first beer with Mitch in a little bar in Oakland. Many fun memories. R.I.P. Mitch.

I'm so sorry for your loss. Please accept my sincere condolence. Death and grief are so hard especially the first year but our Great God of comfort (2Cor 1:3) has sent his son to show us He will remember our loved ones, just like when Christ remembered Lazarus and resurrected him back to life on earth. (John 11) Christ assured us of this promise at John 5:28,29! May these passages help you to endure with hope! With my deepest sympathy.

The Cipullo family was always close with their Kimutis cousins and spent much time together growing up. Mitch had the best sense of humor and enjoyed many hours at 131 Bost Drive! It was always a pleasure visiting with Janet and Mitch.... he still has that great sense of humor and a remarkable antique collection with stories/history to share for them all. Much love to Janet, Jen, Justin and Juliet. ❤️ Ruth
