Dear Mrs. Peggy, my deepest condolences to and your family. I just found out and my heart broke, I no longer live in Pittsburgh, so I was not aware. Your husband is an irreplaceable man. He was my buddy at work! I Adored Him! Every morning as I would go be boping by he would make me laugh. If I had a problem, I would ask his advice. And when I got pregnant you guys were \"The Best\"... I still have the outfit you guys bought Christopher. My Father had the Highest Regard for him.. my father thought he was the best of the best! In all aspects of being a man.You know, he only allowed Bobby to work on Mummy's snd my car! The best memory is when he was trying to keep his secret from me, and it was my bright fire, engine, red Daytona! He couldn't keep a secret for nothing. I don't know if he ever told you the story ..he was so silly! Because I knew he couldn't lie, so he wouldn't answer my question. That's when I knew the car was mine! And I start dancing around being goofy! And he laughed so hard he had to squat down from I guess his belly hurting! He was the BEST!!!I'm sending you all the love and strength that I have From Va.! All I know is, I know this, I am a much better person for knowing your husband. He made my life better. He filled it full of wonderful wonderful memories! You and him will always be a big part of my life. Thank you for sharing him with me.
