I am so sorry for your loss. I worked with Greg every day for years. I felt a connection with him from day one. We would always cut up and have a good time. I looked forward to coming to work each day. I always knew no matter what mood I was in, or what was going on in my life that Greg would make me smile. I will miss him, and his light will burn in me and everyone he has touched forever. - Jeffrey Stauber
