The picture of Violet is one that always comes to mind whenever I think of her! She was an amazing woman, mother, grand and great-grandmother. She had so much spunk, and special sense of humor that everyone loved! Violet was a wonderful mentor to her children and all she met. She had values so many lack in this day and age. And another attribute is there was no grey area with her, she told it like it was! I loved that about her. I knew Violet by working with her daughter Kathy in the dental office. It was always a special day there when she had an appointment. I loved her stories about when she spent all day, and many days, being an extra in the movie. She was an inspiration to us all. And she touched the lives of so many, even in the retirement home in her later years. She will be true.y missed by her family and all the lives she touched! May the fond memories of Violet keep her alive in our hearts! Rest in Peace my friend, you earned it! 🥹👍🙏
