Debbie, you always had my back at work and I cherished your advice. I understood you and I always told you I only worked with you to make you smile at least once a day. I knew all your troubles so I pray that Jesus has taken them all away when you met Him and those you lost and loved at the Gates of Paradise. I will always love you and I will never forget you dear friend. -Patty

I worked with Deb and we laughed and had so much fun. I know she suffered with health problems. I hope she is at peace and is finally with her mom whom she loved and missed so much. Rest in peace dear friend.
