# Kenneth R. Krasneski

APR 27, 1950 - SEP 21, 2023

**K**enneth R. Krasneski, a beloved family man who loved to be outdoors, passed away peacefully on September 21, 2023. Born on April 27, 1950, to Eleanor and the late Edward Krasneski, Kenneth's zest for life and love for his family were his defining traits.

Kenneth is survived by his devoted wife, Dorothy Krasneski, who was his partner in all of life's adventures. Their love story was one of mutual respect and shared laughter, often fueled by Kenneth's love for cheesy jokes. Together, they raised three children: Melissa (Garrett) Dick, Bryan (Marie) Krasneski, and the late Dustin Krasneski. Kenneth's legacy will continue to live on through his grandchildren, Harper Dick, Ariana Krasneski, and Colton Krasneski, who were the light of his life. He is also survived by his sister Judy (Joe) Longo.

Kenneth was a real handyman, always ready to lend a hand or fix a problem. His skills were only surpassed by his willingness to help others. An avid lover of the outdoors, Kenneth found joy in simple pleasures like bike rides and camping trips. His love for the Outer Banks was well-known, and he spent many happy summers there with his family. These trips were not just vacations, but a testament to Kenneth's belief in the importance of family time and creating lasting memories.

Kenneth's love for his family was only matched by his love for life. He had a unique ability to find joy in the simplest things, a trait that he passed on to his children and grandchildren. His laughter, love for cheesy jokes, and handyman skills will be deeply missed, but his spirit will live on in the hearts of those who loved him.

Friends and family will be received on Monday, September 25, 2023 from 12 pm - 2 pm at the Jefferson Memorial Funeral Home, 301 Curry Hollow Road, Pittsburgh, 15236. A funeral service will follow at 2 pm in the funeral home's chapel.

In lieu of flowers, donations may be made to Zero Prostate Cancer at <https://zerocancer.org/?form=PCAM>.

Dear Dotty, Leighanne and family, How devastated and deep sorrow Greg and I feel for you, Ken, Dustin and family. We had no idea of your loss for the two most important people in your life. Just heard of this truly unreal loss of life. Our hearts go out to all of you and will pray for help to get thru this difficult time. I regret that I did not hear of Ken and Dustin's passing, we would have been there for you. I have so many fond memories of you, Dustin and Ken from the 10 years working at Bradley' House. Working side by side with Ken was always the best time ever. Never seemed like work. Couldn't wait to be in his presence to laugh the night away. He was never serious, totally corny, comical and just a joy to be with. You and Dustin were such hard workers. I will forever cherish our time together and never forget the love he had for cherries soaked in something special, hidden away as his private stash (which he always shared with me). I wish I could have seen him again for one last laugh. Please know that I loved him as a dear special friend. Will always remember his smile and laugh. Ken left a lasting mark on this earth that we will all miss♥

Ken will definitely be missed. I'm grateful to have had him in my life. These past few years I'm grateful I got to spend time with him and Dot more. He definitely had jokes and was surely a prankster. I'll never forget him chasing me around with those weird newt creatures when I was a kid, all the fun picnics, riding quads are just a few memories I'll cherish. He sure did love his family. Heaven gained another angel and it sure won't be dull with him there. Prayers to all of you guys. I love you all!
