Leslie, Marcia, Mark and your extended families, I have such wonderful memories of your mom and uncle Ray. From Brentwood to Grace street, your mom always welcomed us with love. Those are some of my most cherished memories. I know your mom has been welcomed into God's loving embrace and is now with those she loves that have passed before. "Jesus said to her, 'I am the resurrection and the life. Those who believe in me, even though they die, will live, and everyone who lives and believes in me will never die.' Beverly was like a 2nd mom to me growing up as I was at Marc's home in both Brentwood and Baldwin a lot.I remember her working for Dr McCormick just up the street on the Blvd. And, always taking great care of my grandmother and getting her in to see the good Dr.when a need arose. I will miss her earthly presence dearly yet, look forward to seeing her for all eternity. My very deepest sympathies go out to all often family. If there is anything I can do during your time of grief please do not hesitate to reach out to me.
