Mark D. Cushey, a man of many passions and a heart full of love, passed away suddenly on August 28, 2023. Born on May 12, 1961, Mark lived a life full of adventure, curiosity, and dedication, leaving a lasting impact on all those who had the privilege of knowing him.

Mark was a devoted husband to Gloria Cushey, the love of his life. He was a loving stepfather to Danielle Friend, always there to lend a supportive hand or share a laugh. Mark was predeceased by his parents, James and Beverly Cushey, who instilled in him a strong work ethic and a love for life. He is also survived by his sister, Jennifer (Dave) Seeley, and his beloved nieces and nephew, Erin, Ryan, Megan, and Kristen Seeley. Mark's extended family of many other nieces, nephews, and friends will remember him fondly for his zest for life and his unwavering kindness.

Mark's interests were as diverse as they were passionate. He was an avid enthusiast of Ham and CB radios, often spending hours tuning into the world around him. His fascination with police and fire scanners was a testament to his love for community and his respect for those who serve it. Despite his adventurous spirit, Mark was a dedicated worker, always putting in the effort to ensure a job well done. Yet, he never missed an opportunity to have a good time. Mark was also an avid camper since birth.

I remember fond memories of talking with Mark while working on various projects. He spoke to me often about his latest adventures tinkering with his antique radios. Mark traveled for work and brought everything but the kitchen sink when it came to his electronic equipment. His voice was full of excitement when he acquired a new vintage toy. I am really going to miss him. He was just the nicest guy you would ever meet. Rest in Peace, Mark. Co-worker and friend.
