Tracey Lyn Pristas

MAY 1, 1971 - AUG 24, 2023

Tracey Pristas, a loving, generous, and selfless woman, passed away peacefully with her loving family and friends at her side on Thursday, August 24, 2023, in Jefferson Hills. Born on May 1, 1971, Tracey lived a life full of love, joy, and service to others.

Tracey is survived by her husband, Sean Pristas, and their three beautiful daughters, Rylee, Ashlynn, and McKenna Pristas. She is also survived by her siblings, Lisa (James) Kreber and Christopher (Julie Prex) Brehm, and her nieces, Abby and Emma Kreber. Tracey's extended family and countless dear friends also mourn her loss. Tracey was preceded in death by her parents, John and Diane Brehm.

Tracey was a woman of great intellect and compassion. She held a Master's Degree and used her education to better the lives of others in her role as a social worker. Her dedication to her profession was evident in the countless lives she touched and the positive changes she helped bring about in her community.

Above all, Tracey was a devoted mother and wife. She took immense pleasure in supporting her children in their cheerleading, tumbling, cross country, swimming, and marching band activities. Her family was her greatest joy, and she loved nothing more than spending time with them. Vacations with family and friends to the beach were a cherished tradition, and these precious memories will be held dear by her loved ones.

Tracey Pristas was a beacon of light in this world, and her legacy will live on in the hearts of her family and friends. Her life was a testament to the power of love, generosity, and selflessness. She will be deeply missed, but her spirit will continue to inspire and guide those who were fortunate enough to know her.

Family and friends are welcomed on Sunday, August 27, 2023 from 1 to 4 pm at Jefferson Memorial Funeral Home, Inc., 301 Curry Hollow Road, Pittsburgh.

Tracey was a friend who I've known since Kindergarten. So many wonderful childhood and young adult memories. I remember her dad being so funny. She was on the whirlwind trip to OC Maryland where I met my husband. We were part of the girlfriend/wives club at Forehall 4. Jim and Sean lived in the same neighborhood for a little while. I remember my very first camping trip was with Tracey and Sean. We had a 2 person tent and Sean had a 3 room tent. LOL. Tracey and I both worked in social work and she had such a heart for those she served. We moved away and lost touch. I was saddened by the news of her passing. Childhood friends hold a special place in my heart. I'll be praying for you Sean and your beautiful daughters as you have to miss her until you see her again. I'm sorry I could not come in person.
