There's not many truly sweet and gentle persons in this world, but Johnny was one of them. One of my best friends early on and just a wonderful soul. Incredibly smart and humble and so caring towards others. Such a sad loss. I'm honored to have known him and so lucky to be able to call him my friend.

I was fortunate enough to work with John as a client of CEEVA. I had him on speed dial, since I am technologically challenged. Not only was he the best at what he did, he was the kindest person. He will truly be missed; he was part of the PMI family! My thoughts and prayers are with his family. RIP my friend!
