# Louella J. Grace

FEB 19, 1931 - JUL 29, 2023

**L**ouella J. Grace, known affectionately by all as Louella, was born on February 19, 1931 in Pittsburgh, PA, and passed away peacefully on July 29, 2023. Her life was marked by the qualities of generosity, selflessness, and love that she embodied every day.

Louella was an accomplished alterations specialist, demonstrating her talents at Larrimor's and Gimbels, where she provided pressing and alterations services for many years. Her skill and dedication to her craft were renowned, and she took great pride in her work. Louella had a natural talent for making others feel comfortable and cared for, and this extended beyond her professional life.

In addition to her professional accomplishments, Louella volunteered at the Calvary Baptist Church in West Mifflin, caring for the children in the nursery. Her faith was a cornerstone of her life, and she lived it out through her actions. She was known for her generosity, often saying, "Put it into the Lord's hands," as she would give to anyone in need. If she had a dollar, she would give it away, truly embodying the spirit of Christian charity.

Louella was a beacon of love and selflessness, and her presence will be deeply missed by her family. She is survived by her loving son, Bill Grace; her grandson, Christopher (Casey) Grace; and her three beloved great-grandchildren, Parker, Lucy, and Frances. They will cherish her memory, remembering the love and kindness she showered upon them. Louella was preceded in death by her beloved parents, Francis and Laverne Lawley, and her grandson, Billy Grace.

Louella's life was a testament to the power of love, generosity, and selflessness. Her spirit will live on in the hearts of all who knew her, and her legacy of kindness will continue to inspire those who were fortunate enough to have known her. She was a woman of faith, a devoted mother, a loving grandmother, and a friend to all. Her memory will forever be a source of comfort and inspiration.

Awe I remember her with Grandma so well. She always bought me the cutest little things when I was little, especially from Avon. I still have a lot of my Aunt Louella's gifts. Sorry for your loss.

Louella truly was one of the great ones. I have so many wonderful memories and happy stories of her and I shopping with Billy and Chris. Oh how Louella loved to shop. I never saw anyone look through a pile of clothes from Gimbels basement and pull out the most amazing outfits.....it was a gift that only Louella possessed. She was gifted in so many ways and I had the privilege of being on the receiving end of her talents and generosity. Louella influenced my life and helped me grow as a Mom and person. Although I will have to say that holding my empty purse to the moon and asking Jumpin' Bull to "fill it up" never worked, it still was so much fun to try! Louella was a remarkable woman and will be missed by many especially me. Love, Diane
