Bill and I were so saddened to learn about the death of Bill's much-loved cousin. Janie will be remembered for her love of decorating, especially at Christmas! Janie took such wonderful care of her parents, especially as they aged. We always admired the strong, loving marriage that Janie shared with her devoted husband, Bill. Her extended family will miss Janie always. Love, Bill and Tricia Anderko

Janie was my eldest cousin...and someone I've known since childhood. She was the 'apple of her parents' eye' and the beloved first grandchild on her dad's side. I am shocked at her loss, as I was unaware that she was ill. She will be greatly missed. Rest in peace, Janie. ❤️
