I just found about about Patti's passing. I am truly sorry for your loss and the loss to everyone she knew. That beautiful lady got me through some of the toughest times in my life! I will never forget her or her amazing heart! She was an exceptional human being and an even better friend. The advice she used to give me, the times she let me whine all over her about how unfair \"something\" was, the \"big sister\" talks she tried t give me...I will never forget her. I know she went straight to Heaven because she was an angel on earth. She LOVED her family more than anyone could ever love anyone! They were her world! Her smile was such a delight every day when I would come into work. May God bless you all in your grief. I know you are feeling a tremendous loss. Thank you dear Patti for always being there for me when I needed you most. I love you truly! My sincere condolences to her family and loved ones. There were many!!!

My Patty-O..I'm at a loss of words and she knew that I always had something to say. I'm honored to have known and worked with such a wonderful and classy brode. Going to happy hour was a blast and some of our best times together. She always had a smile on her face and a Michael Kors purse on her arm! She was always there for you whenever you needed a shoulder to cry on or give advice. Patty will be truly missed. Heaven took yet another great soul too soon.

The moment I met Patty, all those years ago in Carnegie, I knew she trouble! She was always willing to be my partner in crime or a shoulder to cry on. We certainly shared life's laughter and it's losses. Her sense of humor and kindness was a comfort to all. She will be missed. My deepest condolences.
