Lance Martin Davis

JUN 18, 1962 - JUN 17, 2023

Lance Davis, a beloved brother, uncle, and friend, passed away peacefully on June 17, 2023, in Pittsburgh, PA, just one day shy of his 61st birthday. Born on June 18, 1962, in Pittsburgh, Lance was the son of the late Albert and Darlene Davis.

Lance is survived by his brother, Mark Davis, and nephew, Marcus Wagner and his family, who will remember him for his humor and ability to tell it how it is.

Lance was a successful entrepreneur who owned and operated an HVAC company in Pittsburgh. His expertise in math and engineering, particularly geometry, allowed him to excel in his field.

A true outdoorsman, Lance found solace and joy in hunting and fishing, especially in Venango County. He cherished the time spent in nature, surrounded by the beauty and tranquility of the Pennsylvania wilderness. Lance's love for animals extended beyond the great outdoors, as he was known to have a soft spot for dogs and would often be seen feeding the neighborhood critters, including raccoons, deer, and turkeys.

Memorial contributions may be made in Lance's name to Animal Friends at thinkingoutsidethecage.org, an organization that Lance supported for many years.

As we remember Lance, we celebrate a life well-lived on Thursday, June 22 from 5-7 in the evening at Jefferson Memorial Funeral Home, 301 Curry Hollow Road, Pittsburgh, PA 15236. A funeral service will be held at 7 P.M. in the funeral home chapel.

Condolences may be left at www.jeffersonmemorial.com

Loved making Lance's birthday cakes for several years. He loved lemon cake with white fluffy icing, and you could see the joy on his face with every single bite.

I met Lance through his HVAC work & we became friends back in the early 90's. We lost contact when I moved back to where I grew up to care for my family. We reconnected after Christmas this past year through mutual friends. It was good to reconnect & laugh about the past. I felt soooo bad to hear how sick he was. He will be missed but, he's at peace now watching over all his family & friends. Mark, you & your family have my deepest sympathy. I know how close you & Lance were as brothers. You know it ment alot to him the help you gave him. I'm here, my friend if you ever need to talk. HUGS! Karen Holonich

What can I say about Lance? LOL crazy guy, funny, witted he did tell you like it was and if he liked you. You knew it. He was a good hearted person and I am happy that I got to know him. I had the pleasure of meeting him at Jefferson rehab. He was surely blessed to have a brother (Mark) that cared for him and surely did everything he could to help and care for him. I got the biggest kick out of him because he would come in and cheer everyone up. And I will never forget the time that he went and got himself a Jefferson jacket, and he wore it in to Rehab Proudly . What a great guy you will surely be missed. ❤️ Mariann. Mark im so sorry for your loss.

I worked for Lance at his HVAC shop in Homestead in the mid 80's. He always treated me very good and we became friends since then. We'd rip on each other but it was all in good fun. He was a master at his craft/knowledge of furnace-ac install and repair. He was a great friend to my wife and kids. His brother Markus devoted his love and care to Lance in his latter years. We have lots of good and funny memories to remember him. Our family sends our love, thoughts, and prayers to his family. God Speed my dear friend, you will be missed.
