Mr. Cecconi and Family, I am so sorry for the loss of Vilma. A wife, mother, grandmother, and great grandmother. She was a special lady. I remember her so well from playing PHARA softball. I was your pitcher until I got switched to another team. Vilma was not happy about that at all! Mr C., you and Vilma were great coaches and I was honored to play for you. I also remember the time that Vilma came and picked me up to play in a tournament in Renzi Park. She was desperate for a pitcher. I won that tournament for the team. I never forgot that. My heart goes out to you and your family during this sad time. Know that Vilma is watching over all of you, and she is with her beautiful Mary Grace. May she rest in peace. Debbie (Haverty) Sapienza

It was such a pleasure to work with your Mom at Mon Valley School. She was such a nice, compassionate person. She really cared about all of the students that were in her room. She also would make sure that she took care of the staff and would give us presents all the time. I am ever so glad I had the opportunity to not only meet such a wonderful person but also to be able to work with her everyday. I am so sorry for your loss. You have my deepest sympathy. My name is Debbie.
