Mrs. Leff and Ken, I am deeply saddened to hear of Brian's passing and am so sorry for the loss of your son and brother. Although our lives went in different directions, Brian had a big impact on my life and I always wanted the best for him. I thought of Brian often through the years and I've told a lot of stories of our adventures. I've always missed him, now it will be that much harder when I think of the times we had growing up. My love and prayers to you both.

Nothing but fond memories of \"Lefty\". Such sad news. He was a good friend, a character, and a lot of fun. I remember when he bought a limo and actually chauffeured me and my girlfriend around on my birthday one year. A very caring guy, a good friend, and a fellow animal lover. I'm sad we fell out of touch and I had to see this terrible news. Thoughts and prayers are with his family.

I am very saddened to learn of Brian's (Lefty's) passing. I try to remember him from our days back in high school. Hitting the weights, hanging with Wayne, Rege, Marsh and Tim and getting sneak attacked by his \"vicious\" ankle biting dogs. Lefty always got a good laugh out of that! A lot of good memories. My deepest condolences to Mrs. Leff and Ken. - Greg Sommer
