I can only pray she is at peace. I am thankful she was there for me when I was alone, what a difference she made in my walk in this life. She was always a strong woman in her own way. I think maybe in a way she's rubbed off on all of us, grand kids. I will never forget the holiday where she was scolding us and Lauren popped back saying it was you grandma. It was you...boy was she mad! And all us kids laughed. Lol... All love Gram.. All love...
