Conrad was an outstanding landscape designer. Thousands of Pitt employees and students enjoy his work every day. His research was meticulous. Visitors came from around the world to see his Shakespeare garden next to the Cathedral of Learning. I am forever grateful that I knew him and can look at his beautiful plantings every day.

I had the pleasure of meeting Conrad's lovely daughter Carolynn (she was the driver for the away team) to our school. We prayed for her beloved dad under these double rainbows. I know that she has faith in our Savior Jesus Christ. I pray for Christ's Grace and Comfort to rest upon your entire family <https://youtu.be/fKAPHjficlc> May The Perfect Kingdom come soon, and until then let's focus on the eternal...
