I've known and loved you my entire life, as well as your precious wife, my Dar Baby and you both always treated me with nothing but love and kindness and pretty much allowed me to be a permanent fixture at your home growing up. You're with your beloved Darlene once again!! I hope you know how much I love you, Michael and how much you're going to be missed! Heaven has certainly gained another angel to watch over us. Until I see you again, Michael know how much you are truly LOVED!!!! 💙😊💙
