I just came across Bills obituary by accident while searching nostalgically today! A good friend while I was trying to find my way in Pittsburgh after life had dealt me some hard blows unexpectedly! One of the good guys in my life for certain! We talked from time to time but not in recent years. I miss him and I'm sure he's missed by many especially Jan, Cyndee and Brian! So so sorry for our loss!

My Condolences to the Hardy family. I worked with Bill at TST for 25 years and we had many conversations, especially about baseball. Bill was an avid baseball fan and we agreed on a lot of things especially when we discussed the Pirates. I'm sure I do not have to explain what we agreed on. I'm very sorry to hear about Bill. He was a good friend. RIP Bill!!! Rich Deiley
