Teresa, Marcia and Family, we had only known Rose for 8 short years, but we are so glad we got to know her and spend as much time as we did with her over those years. I loved listening to Rosie talk about her childhood memories and flirt with my husband. I will never have another card partner like Rose. I'm sure she will be watching over us and still get annoyed by a certain someone who takes too long to take her turn or we dared take time to talk. You are all so lucky to have had a mother, grandmother and great grandmother as long as you did. Rosie will always be in our hearts. All our love, Gina, Smokey and Ryan
