# Chandra K. Bhattarai

MAR 6, 1993 - DEC 2, 2022

**C**handra K. Bhattarai, 29, of Jefferson Hills, PA, passed away unexpectedly on Friday, December 2, 2022.

Born on March 6, 1993, in Maidhar, Jhapa, Nepal, Chandra was the beloved son of Palag and Hari Bhattarai.

Chandra left too soon, but he taught all of us to be strong. He helped make the world a better place, so we would all remember life's beauty in dark days.

Chandra always offered a helping hand to strangers. He used to say "in strangers you find friends". And Chandra was always in good spirits because when you're humble and kind, the world always repays you with joy.

He was always thinking of others, and always there, especially for his family. The world will truly never be the same without Chandra but we will hold the memory of him close to our heart for the rest of our days.

Chandra is survived by his loving parents, Palag and Hari Bhattarai; siblings, Ganga (Bhakta) Mainali, Leela (Abi) Subedi and Tulsi Bhattarai, Lachhu (Sangita) Bhattarai; and daughter, Cylvia Bhattarai.

Relatives and friends are invited to join the family for visitation on Friday, December 9, 2022 from 10 A.M -12:30 P.M. at Jefferson Memorial Cemetery's Main Jefferson Mausoleum, 401 Curry Hollow Road, Pittsburgh, PA 15236.

Dearest Tulsi: I am so sorry for your loss. I pray that you and your family will find peace in your hearts and comfort in your souls knowing that he was a beautiful spirit who will forever be a significant part of your lives. The journey of grief is long and painful, but you will find a sense of calm amidst the storm. It takes time, but you will find a way to honor his memory and continue with your life. It will not be easy. Only those who have experienced the depths of deep love can understand the loss of that person from our lives. Sadly, profound grief is the price we pay for love. Prayers to you and your family.

He was a loving father, son and brother. For him, family was his everything. Last couple years he was the happiest person on this earth. He was the silliest person I ever know. Every single time he used to crack jokes made every one laugh around him. I( his sister) asked him to do couple things for himself and that day( Thursday Dec 2nd 2022) he completed all the tasks and the same day left us for forever (in car accident). We missed you so much, just know that you were so loved by your family. Thinking of you and remembering you! Love your sister Leela
