I met Dave on the trail about seven years ago. I didn't see him all the time but when I did we always stopped and had a long chat. He always had a new story for me that made me laugh every time. I just recently found out that Dave has passed. I am very sorry to hear this. He was the kind of person that you felt like you had known all your life. I will miss him. He brightened my day every time we saw each other. Darlene Walter- South Park

We knew Dave and Mary through St. Joan's and Meals on Wheels. Every time I (Linda)see a chipmunk I am reminded that one of the grandkids called them "chickmunks". We have fond memories of both Mary and Dave which, in the end, is the sign of lives well lived.Joe and Linda Pelan
