I remember Howard, Pap (Chuck), and myself went to a Monday night Steeler game. After the game we took the wrong t and ended up at South Hills Village at 2 in the morning (obviously we weren't parked there). We went to a nearby hotel and used their phone. Pap asked Howard if we could call Jackie and Howard said something along the lines "Chuck are you crazy? She would kill me if I called her at this hour." We laughed and talked about that night for the longest time. I still do. May Jackie rest in peace.
