We worked together for about the last 10 years. I knew i could always depend on and trust tom. He always looked out for me and did what he could for me. He was always in pain but he would work through it to do what he could and help out as much as he could. I consider tom as a good friend of mine and i will miss him deeply. Rest in peace my friend. Your pain is gone and now you are in place of peace.
