Words can't express the love I have for My Aunt Lil. The memories will last until I see Her again in Heaven. She was always such a Joy to be Around. She had a wonderful sense of humor. She certainly knew what was important in Life and Everyone who knew Her immediately felt Her Warmth. I have so many great memories with Her, but some of the best was on My Mom's Boat on the Mon River. When I heard of Her passing, immediately an image crossed my mind, and it was of My Aunt Lil and My Uncle Jim running into each other's Arms. I love you Aunt Lil and I always will. My heart goes out to My Sweet Cousins, Karen and Lynne and Her Grandchildren and Great Grandchildren who she loves so much. She had many other relatives and friends who love her so much. Love never dies, it just exists in a quieter place.
