Bob was an incredibly supportive parent to his children and the South Park School District's coaches and teaching staff. Their achievements on the field, wrestling mat and the pool was directly tied to his calm demeanor and constant support. I was fortunate enough to have worked with his children both in the classroom and in sports. Bob always had a great smile and a word of encouragement to staff members. The success of his children both at S.P.H.S. and in their adult lives is a tribute to his work as a great father Joe Liparulo

I knew Mr. Albright as a teacher and track coach at Baldwin H.S. Always liked and respected him. I knew Bob Albright for many years as a teacher at a school for exceptional children when he was the Balfour and Taylor rep. Bob Albright was a good man. He is a kind, gentle spirit who loved all.
