I want everyone to know how wonderful of a person Arky was. Her heart was as big as she was. When I remember everything we did together through the years, I have to smile and wonder how we ever made it to our nineties. Please save me a place in heaven. See you soon. Arky will be missed by many. I have known Arky and most of her siblings for most of my life. She was always a fun person who would laugh and joke with you most of the time. See you around like a doughnut was her signature goodbye. These many later years Arky attended the Tuesday senior lunch at Lincoln Place Presbyterian Church adding to the fellowship and atmosphere. her "large earrings" we're always a subject of conversation.
