To the Wolfram Family. Please accept my deepest sympathy upon the death of your Father. You are all in my thoughts and prayers. I met your Father while playing Bingo at the Craffhouse. I also watched the Caste fireworks in his front yard one year. Your Dad certainly lived life to the fullest. May your many memories of his life help you during this difficult time. Colleen McCauley

As a little girl I remember Uncle Jack driving his big truck and going to work with Grandpap. You built so many beautiful homes and I am so proud of you. We'll miss you Uncle Jack. Your family will be there to welcome you! Love, your niece,

Jack was the best neighbor! He was only our neighbor for a short time but my husband and I felt like we knew him, Ken and Sharon forever. Jack would always give my husband a Miller beer and liked when he sat on the back porch with him for a cold one. We will miss your wit and your neighborly friendship, Jack! Man, was he funny! God rest you now until we all meet again! Love, Courtney and Fabio
