I knew today ( September 11) was Mikes birthday and tried to find his number so I could call him. Instead I found his obituary. Mike was our backyard neighbor in Pleasant Hills. My daughters used to help rake leaves and other yard work with Mike. Once when I was in a parade for receiving the title of "mother of the year for Pennsylvania", Mike drove me and my daughters in his convertible car. He told us once that he missed all the tragedy on 9/11 because he was watching horror movies all day for his birthday. We often met at our fence and talked to Mike (with his signature pipe) about everything - his dogs, organ music, life in general. He was a good neighbor and I'm so sorry I didn't know about his passing. Ginger Bradley. Gingerbradley16@gmail.com
