Nannette, You were more than a good friend. You were the sister I never knew I needed. We could talk through happy and trouble times. I will miss you and remember the times you talked me into things with OES that I did not think I could do. You were right and I grew as a person. Mike will miss the jokes you shared. Mike and I have tears because you left us behind. Rest in peace dear friend. Hugs from Mike and Charlsie

Nannette was a true friend and sister to me in Eastern Star. We shared laughter and tears. She was always there for me going through the chairs and especially when I was twice Worthy Matron. The first time she was my Associate Matron but had been a Worthy Matron prior so I depended greatly on her experience. We shared a room during Grand Chapter one year and had so much fun! My second time through she was our chapter secretary and truly kept me on the straight and narrow. I could not have managed those years without you. May God bless you, dear friend, and keep you safe in His loving arms until we meet again!
