Margaret was a lovely woman. I am her illegitimate grandson Anthony and felt invited with open arms by Margaret. I sadly was hesitant about connecting with the family but I feel Margaret passed in happiness knowing she had a bigger family tree than she had imagined. I was able to send her pictures of her great grandchildren through the help of her niece. Margaret was a powerful woman and told me she had prayed to have her family, son David, reunite before she passed. What a surprise! Thank you Margaret. I feel you are watching lovingly over us all.

She was always just Margie to us but while growing up we saw Margie, Ed, Jack, Aunt Angie and Uncle Ed every New Years Day. Margie didn't say much that I recall but Cousin Jack had a fabulous train set that kept us kids entertained for hours while our parents talked. Our parents were Uncle Bernie and Aunt Rose Fifer. Aunt Angie was Bernie's older sister. Condolences to those close to Margie. Carol Fifer
