I would look forward to seeing Kevin when I visited the HRH office. He never failed to greet me with a big smile and was known to delightfully crash a meeting to talk about Pitt's sports fortunes, good and bad! He was impossible not to like. We clients all knew he had our backs and would bring his considerable skills to meet any challenge. He'll long be remembered as a genuine and humble person, warm, caring and kind. Deepest sympathy to the Bethel family.

I will always be grateful for Kevin's guidance and encourage. Even when I would decide to step back from something, he would simply sit back and smile and say, ok, knowing my overachiever personality would force me back into the race. It always did. And, when I thought I was approaching Kevin for a job not knowing he had sent Billie Shaeffer to have me call him. It was a win win for both of us, I think, but a gift for me to work with such a uniquely gifted man. Kevin was a one of a kind, true gentleman. Will always remember his smile. Prayers and condolences to the family.

Kevin, you were the best insurance man...but more importantly one of the best men, husband, father, and especially a \"Pap\" to Cole. You did so much to help me throughout our careers, shared our kids weddings, golf trips, and too many lunches and laughs to remember. You had such a positive effect upon more people than you will ever know. RIP my friend. Rich Turocy

I am so grateful to have reconnected with my cousin, Kevin, several years ago. He was a wonderful man with an incredible sense of humor, who was such fun to be around. He was deeply devoted to his family, and so proud of his beautiful wife and 3 extraordinary children. His grandson, Cole, was the light of his life and Kevin took great pleasure in sharing stories of Cole's many funny and brilliant antics. Kevin, you have been greatly loved and appreciated by so many. We will remember you always with much affection and admiration. Please give Nana my love, and hug my parents and all of our aunts and uncles for me...until we meet again. Caryn

Kevin was a special friend! We played many rounds of golf together! We always had a great time! I would kid him about having 18 clubs in his bag!! Most were demo clubs!! I also would kid him about all the practice swings he took! As everyone knows, Kevin never took a practice swing! He was our organizer and made up the games and took care of the money! He always had a smile on his face!! He was a really good friend, and I will miss him! Prayers to the family! Dr. Pepe

Kev... I'm missing my golf buddy already. So glad we reconnected after many years. The golf trips to Palmetto Golf Club, these past few years, were an absolute hoot. All the reminiscing we did of our early years growing up in Brooklyn. I'm fairly sure we drove Barry and Danny crazy. I'll meet you on the first tee Kev. Get plenty of practice in the meantime. Love you and miss you, Cuz!!!
