Dear Jeff and all the family, Although we didn't get the privilege to know Max as an adult, we have the fondest memories of him as a young boy sharing the joy of baseball with our son Daniel with you at the helm of the team. What glorious memories those times are and we feel privileged to have shared a part of his precious life. We just heard of his passing and regret that we didn't get to express our profound sorrow at your tremendous loss much sooner. His life was a bright light that graced the world and he won't be forgotten. May you all find peace in this journey of sorrow. Mary Beth and Mike Poremski and family
