My aunt was always very sweet to me while I was growing up. She made an extra effort to provide my favorite Nut or Fruit Kolachi Cookies during Christmas. She also was very kind to my wife and our children. My mother really like talking with her sister. Hope she finds peace and we also wish the best for her extended family. God bless her.

Grandma ❤️ may you rest in peace my sweet angel. I am going to miss the laughing spells we had together, to the point we were in tears, on holidays, and everyday of my life. you were more than just a grandma to me you were also my friend. You made sure you were at every single one of my birthdays, talent shows, sports events and every major event in my life. I could not have asked for a better grandma, and I will forever miss you while I'm on this earth. But it is not goodbye, I KNOW I will see you again someday. and that you are no longer suffering ..you are with pappap, and the rest of our family and the angels. ❤️ Rest in peace Grandma 🙏❤️👼
