Bridget Wilson

DEC 16, 1968 - JAN 25, 2022

Bridget Wilson, age 53, loving mother of three and adoring wife of the late Shaun Wilson, passed away in the early hours of January 25, 2022.

Bridget was born in 1968 in Pittsburgh and grew up surrounded by her large family. She had 4 siblings and many aunts and uncles. Bridget was influenced by her family to be a loving and caring woman, always giving her time to others and she incorporated that into her motherhood.

Bridget was a grandmother and absolutely loved her grandchildren. She will be greatly missed by all of her family and friends, especially her children, Brittany, Bailey and Francis who adore her with all their hearts. They know that they can't have their mom anymore but are happy knowing that their dad finally has her back in his arms again.

Goodbye to a wonderful woman, amazing friend and a beautiful mother.

Here are a few words from the family...

-The things that I've loved, the things that I've lost, the things that I've held scared that I've dropped. I won't lie no more than you can bet. I don't want to learn what I'll need to forget. Winter just wasn't our season. I love you and miss you....-Your Blue

-Hey, Mom. I just wanted to say I hope you're enjoying your TikToks in heaven. Please give dad a big hug for Brittany, Bailey and I. We are all going to miss you very much and have so many memories of what a great mom you were. I want to thank you for everything you have done for me but just know we all love you to the moon and back and we will never stop loving you.....- Your only son, Frank

-Grammy, I'm going to miss stealing your ginger ale....Love, Dakotah

-Scooby, I will miss you scarecrow....-Your sister, Katey

Frank. Your mom was very proud of you and loved you very much. I always had fun with her at the farm. I know you and your family are hurting now and you'll always miss your mom. Remember the good times you had with her to get you through the rough times. She raised you to be a good person. I hope to see you soon. Melinda Trempus

Oh my dear friend growing up. How many great memories I still have til this day of our antics thru grade school and high school. I can still remember playing the Lion Sleeps tonight in your game room and us acting like fools. The one time someone sat on and broke an album and we were trying to somehow cover that up to not get in trouble. The super ball in the kitchen where we broke one of the bricks and tried to glue it together but Frank of course noticed it and we got in trouble. The time you knew where your Christmas gifts were hidden and we snuck the Merlin game and played it for a while then put it back 😊. The time Annamae busted us for smoking outside the bathroom window and you blamed me and she randomly asked me if I wanted to be tall when I grew up because if I did..I better not smoke 😊. So many great memories and I know our paths went different ways as adults but I will always cherish these memories forever. Rest in peace my friend and give my mom and dad a hug from me. Love you.
