We are so sorry of hearing of Mr. Snyder's passing. Judy and he were always a reminder of how great people can & should really. Growing up they were one of my favorites & the same can be said for my daughter Gabbie. When I would go and pick her up at my mom's 9 times out of 10 she was at the Snyder's with Leroy playing with her. He will be missed and strength for Judy and family.

Leroy was a great friend. Doris and I enjoyed lunch on Saturday and brunch on Sunday with Leroy and Judy. His stories of working with cranes were amazing. But the most fantastic and incredible story is when he and Judy eloped!! I will cherish the times we spent together talking. He was a good guy but that is not what got him into heaven, it was trusting in Jesus.
