Very sorry to hear about Don's passing. I haven't seen Don for over 20 years..... but I remember him well from the early 1990's when we both worked at the Eat N Park at South Hills Village. Don always had a smile on his face, and was a very sincere and good person. We played some basketball out on the courts in South Park. Very sad to hear this news. Rest in Peace Don. Thoughts and prayers go out to the family and loved ones.
