I'm just seeing this post on Pats passing. I worked with her at Jefferson Hospital on 3E night turn in the 90s. She was a great person and a most wonderful nurse. She had little sayings that made me laugh. I ran into her about 10 years ago out at a restaurant with her son and DIL and I was so happy to see her then after many years. Had I known she passed, I would've came to the viewing. She was always my favorite person to work with. May God bless you and your family. I was happy to meet your Father and know your Mom. She Taught me a lot and kept me laughing. RIP dear Pat.
