My deepest sympathy to Randy's family and friends. I'm grateful for a few months of extreme fun back in 2010 ... traveling, eating oysters in Florida, riding on your Harley (with a helmet) — I still say that I was a Harley chick for 6 months — and golfing. Every time I successfully hit the bump and run shot off the green with a 9 iron, I mention your name. You had a great voice as well. May you find peace in the loving arms of our Lord. Love, Vicki

I've known Randy since 1st grade, we lost contact until our reunions. I missed a few but the one I did go to was great especially getting to see and connecting with classmates, he made those memories happen. May you rest in place. My sincere condolences to his sister, daughter, grandchildren and all of his dear close friends. Classmates from 1958 to our graduation in 1970. Donna (CONNER) Heigl
