I was so sorry to hear about Jonny's passing and was shocked, until I heard the cause. He had so much more good life to live. The unfortunate part is that we had recently just re-established contact after 40+ years and I looked forward to seeing him on a future visit to Pittsburgh. Kris - may God bless you and your family with precious memories and gradually ease your pain pain & suffering day-by-day. God bless you all! Dave Amrhein
