Jerry was one of my best friends for a long time. I always would stop by his place at Cumberland when I was there to help him with whatever he needed. He always looked for me to help with his computer or get him some treats on my vacations to Williamsburg Virginia. I will miss his smile, charm, and laugh very much. We shared many laughs over the years. My condolences to his family and friends during this hard time.

I offer you my condolence. Your father was a great man. I worked with him for more than 10 years in Black Box and we were very close friends. God bless him.
