Condolences to all family and friends. I will never forget our movie nights together. I will never forget how much I enjoyed your Star Wars merch, especially always picking the coolest shirts. My favorite was the red one with the storm trooper. Another memory I cherish is our walk together that lasted into the night. I also loved seeing Jungle Cruise with you for the lolz but then it turned out to not be as horrible as we expected. I loved how you dressed up themed in a jungle shirt. I always loved your takes on video games and movies and our discussions of them together. You will be so very missed by many. We all love you. ❤️
