We will dearly miss our beloved brother Jake until we see him again one day. We are thankful we have this hope to look forward to. In the meantime, we hold fast to the memories of Jake as an honest and sincere man of God who always reminded us that "love" is big in the Bible. We are saddened that we were away and unable to attend the memorial service, but want the family to know that even so, we hold them all in our thoughts and prayers.

I am very sad to hear of Jake's passing. He was "The Captain" to my family, my Dad's good buddy. So many wonderful memories...always looked forward to the special holiday visits for just our families together. Allyson, Carmella, and Kenny, please know that you are in my prayers, and I hope that you find comfort in remembering a life well-lived during this tough, unexpected time. Jake was such a good-hearted, generous man who we all loved to see. Rest in God's peace, Captain.
